

COMBINE LOG CABIN AND PATCHWORK

Full day workshop - All skill levels

A hands-on workshop for those wanting a unique Log Cabin quilt with a different look. Learn to add extra design dimension and interest by joining Log Cabin blocks with various simple geometric patchwork blocks. Use a variety of blocks or select as few as two to develop a striking overall design. The block layouts of *Cabins in the Snow*, *Nine Patch in Log Cabin*, *Five Star Combo*, *Holiday Star Table Topper* and *Center Star Expo* illustrate block possibilities. If playing with color, cutting up fabric & sewing it back together appeals to you, come ready to experiment with many blocks to choose from.

The quilts below are examples from the Combine Log Cabin and Patchwork Full Day Workshop and will be used to teach the patterns and techniques.

Cabins in the Snow

**Offset Four Patch
in Color**

Center Star Expo

Five Star Combo

**Holiday Star
Table Topper**

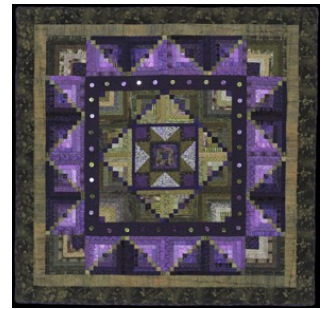

**Nine Patch in Log
Cabin**

**Turnstiles with
Cornerstones**

Playing the Corners

12-inch Star Table Runner

Student's Supply List: Notepad and pen, scissors, rotary cutter, mat, medium-sized ruler (e.g. 4" X 18"), sewing machine, extension cord and basic sewing kit. If machine does not have a 1/4" patchwork foot or 1/4" needle position, mark a 1/4" seam gauge on your machine. Instructor will provide colored pencils, worksheets and design grids. Optional: 6" or 6 1/2" square ruler.

Fabric: No need to purchase fabric specifically for this class. Bring a total of 14 to 16 fat quarters in three or four color families you like together. Select some for varied scale of designs or visual texture, others for subtle patterns, and solids that blend or provide contrast. Vary tones and shades-- some lights, but more mediums and darks within each color family. Press fabrics.
