

Log Cabin Landscapes

Half day workshop – Flavin Glover

All skill levels

A class designed for those wishing to learn how Log Cabin patchwork scenes and landscape are created. See how various Log Cabin are combined to execute design details, enhance movement and provide spatial perspective. Learn how simple shapes are drawn on basic Log Cabin grids and how they look in patchwork.

The quilts below are examples from Log Cabin Landscapes Half Day Workshop and will be used to teach the patterns and techniques.

Canterbury Fields

Moms and Babes

Geese in Flight

A Day at the Beach

Sustainable

Up at Sunrise

Inside Passage

Seasons

Student's Supply List: Notepad and pencil. Instructor will provide colored pencils, tracing paper, worksheets and grids.
